Explanatory notes to instruction type INS103 “CANCELLATION”:

The boldly framed white boxes are obligatory, unless specified otherwise in other notes. The thinly framed grey boxes are for information purposes only. No account will be taken of the values contained therein when entering instructions in the SKD.

- (1) The sender shall fill in the appropriate box according to whether he acts as an agent for the seller or the buyer in the settlement for which the cancelled instruction was entered. Agents' abbreviated names are stated in the form specified in the contract on participation in the SKD.
- (2) The instruction must be signed by the agent's authorized employee whose specimen signature is at the disposal of the operator.
