Date .....

Administrator's signature .....

### SKD operator's records

Date and time of receipt of the request .....

Date and time of the data update .....

Explanations:

- (1) Request for change the administrator's personal data in SKD is sent by the participant's administrator to the SKD operator (CNB).
- (2) Login (username) under which the administrator is registered in the SKD.
- (3) Fill in only the data which are supposed to be changed.
